

Roberto Salas Hernández

Software Engineer

✉ hi@beto.page | 📍 México | 🌐 beto.page | 🔗 linkedin.com/in/rsalas6 | 🐙 github.com/rsalas6

PROFILE

I'm Roberto, a software developer with over ten years of experience. I love building useful things and automating the tedious. I've worked with startups, international companies like Nike, and everything in between.

PROFESSIONAL EXPERIENCE

AI/ML Model Evaluator (RLHF)

09/2024 - Present

Scale AI, Outlier, Micro1, Revelo

Remoto

- Collaboration with multiple leading AI companies: Scale AI, Outlier, Micro1, Revelo
- Evaluated over 1,500 tasks across ML/AI projects, focusing on RLHF
- Conducted code quality assessments ensuring best practices
- Developed unit tests to verify model accuracy across scenarios
- Provided feedback to improve model performance and reliability
